“AN ANCIENT BOOK OF MILITARY ORDER SAY”,

words are not heard. So cymbols and drums are made. owing to lack of visibility, banners and flags are made. cymbols, drums, banners and flas are used to focus and unify people's ears and eyes. Ones people are unified, the brave can not proceed alone, timid can not retreat alone. This is the rule for employing a group.

OUR VISION

To be the No. 1 security provider in Sri Lanka, recognized for building strong, intense partnerships with our clients.

OUR MISSION

Our mission is to deliver unparalleled, reliable, and customer-centric security services that surpass client expectations. We are dedicated to fostering safe and secure environments for our clients, their assets, and their communities. By leveraging our expertise, state-of-the-art technology, and highly trained workforce, we strive to become the preferred choice for security solutions across diverse industries.

At **First Guard Security Services (Pvt) Ltd**, we provide a comprehensive range of security solutions tailored to meet the unique needs of each client. Our services include:

Trustworthy Residential & Corporate Security Officers, ensuring the safety of people and property.

CCTV Installation and Monitoring to ensure continuous surveillance of premises.

Investigations into Theft, Pilferage, and Robbery delivering thorough and discreet investigative services.

Bodyguard Services for VIPs and VVIPs, ensuring personal safety at all times.

Security for Cash-in-Transit operations to protect valuable assets in transit.

SERVICES

Security Consultations & Surveys

to help businesses identify potential security risks and implement the best protection strategies.

Electronic Security Systems & Surveillance

for enhanced monitoring using advanced technology.

Event Security Management

to provide a safe and secure environment at public and private events.

On-Site Guardians for Retailers

to protect commercial premises and ensure smooth operations.

Access Screening & Visitor Management

for seamless entry-point control.

SERVICES OFFERED

Manned Guarding

Our rigorously trained security officers are deployed to safeguard diverse premises, including residential buildings, commercial complexes, industrial facilities, and construction sites. Our meticulously selected personnel undergo extensive training and are equipped with cutting-edge security equipment and technology, ensuring utmost protection and surveillance.

Mobile Patrols

Our mobile patrol units conduct regular and strategic patrols in designated areas, providing a visible and responsive security presence. These units are deployed in a manner that optimally covers a wide range of locations, enabling swift response to security breaches or incidents.

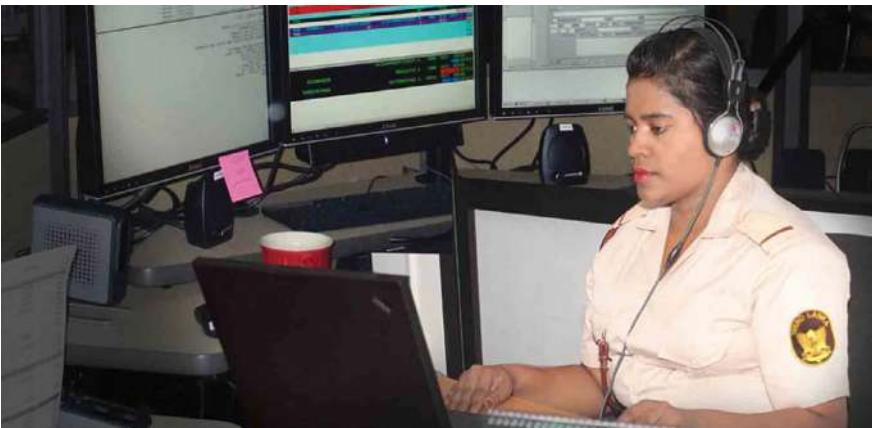

Event Security

We offer comprehensive security services for a myriad of events, including corporate conferences, trade shows, private gatherings, and sporting events. Our seasoned event security team collaborates closely with clients to develop customized security plans, ensuring the safety of attendees and safeguarding valuable assets.

VIP Protection

Our specialized executive protection services cater to high-profile individuals, celebrities, corporate executives, and diplomats. With a focus on discretion and professionalism, our highly trained personnel prioritize the safety and privacy of our esteemed clients. We employ advanced risk assessment techniques and implement personalized security strategies to mitigate potential threats effectively.

CCTV and Alarm Systems

First Guard Security Services (Pvt) Ltd provides cutting-edge CCTV surveillance systems and alarm systems for enhanced security measures. Our comprehensive services include installation, maintenance, and monitoring, ensuring continuous protection and rapid response to any potential security risks.

WHY CHOOSE US?

Choosing First Guard Security Services (PVT) LTD means opting for peace of mind, reliability, and top-tier protection. Here's why we stand out:

TAILORED SOLUTIONS

We design our security services to perfectly fit the unique requirements of your business, offering flexibility and customization.

HIGHLY TRAINED PROFESSIONALS

Our security officers are trained rigorously in essential skills such as fire-fighting, first aid, basic electrical, and plumbing, ensuring they are prepared to handle any situation.

COMPETITIVE PRICING

While delivering premium services, we maintain competitive rates. We ensure that our pricing is transparent and reflects the specific security needs of each client.

CUSTOMER-FOCUSED APPROACH

We are committed to ethical, customer-centric practices that ensure a win-win situation for everyone involved, with full transparency in all our dealings.

QUALITY MONITORING & ASSUANCE

At First Guard Security Services (PVT) LTD, we maintain exceptional service standards through continuous monitoring and ongoing improvements. Our process includes daily and monthly feedback collection, spot checks at client sites, and regular evaluations to ensure service excellence. Quarterly meetings with clients and security staff allow us to address concerns promptly and make necessary adjustments. In addition to their smart uniforms, which project professionalism and authority, our officers are trained to handle various scenarios effectively, acting as a robust deterrent to criminal activities in strict accordance with Ministry of Defence guidelines.

INVESTMENT IN SECURITY

Investing in security is investing in the long-term success and safety of your business. At First Guard Security Services (PVT) LTD, we understand that good security is more than just a service—it's a crucial asset that safeguards your operations, employees, and property. Our competitive rates are complemented by the high standards we uphold, ensuring that you receive value for every rupee spent.

We work closely with our clients to understand their unique security needs and tailor our services to reflect those requirements. Our pricing structure is transparent and flexible, with rates that are customized based on your specific business and premises. As we continue to serve you, your company will benefit from special concessions and discounts, making your security investment even more cost-effective over time.

With First Guard Security Services, you are not just hiring security—you are making a strategic investment in the safety, success, and future growth of your business. Let us protect what matters most to you.

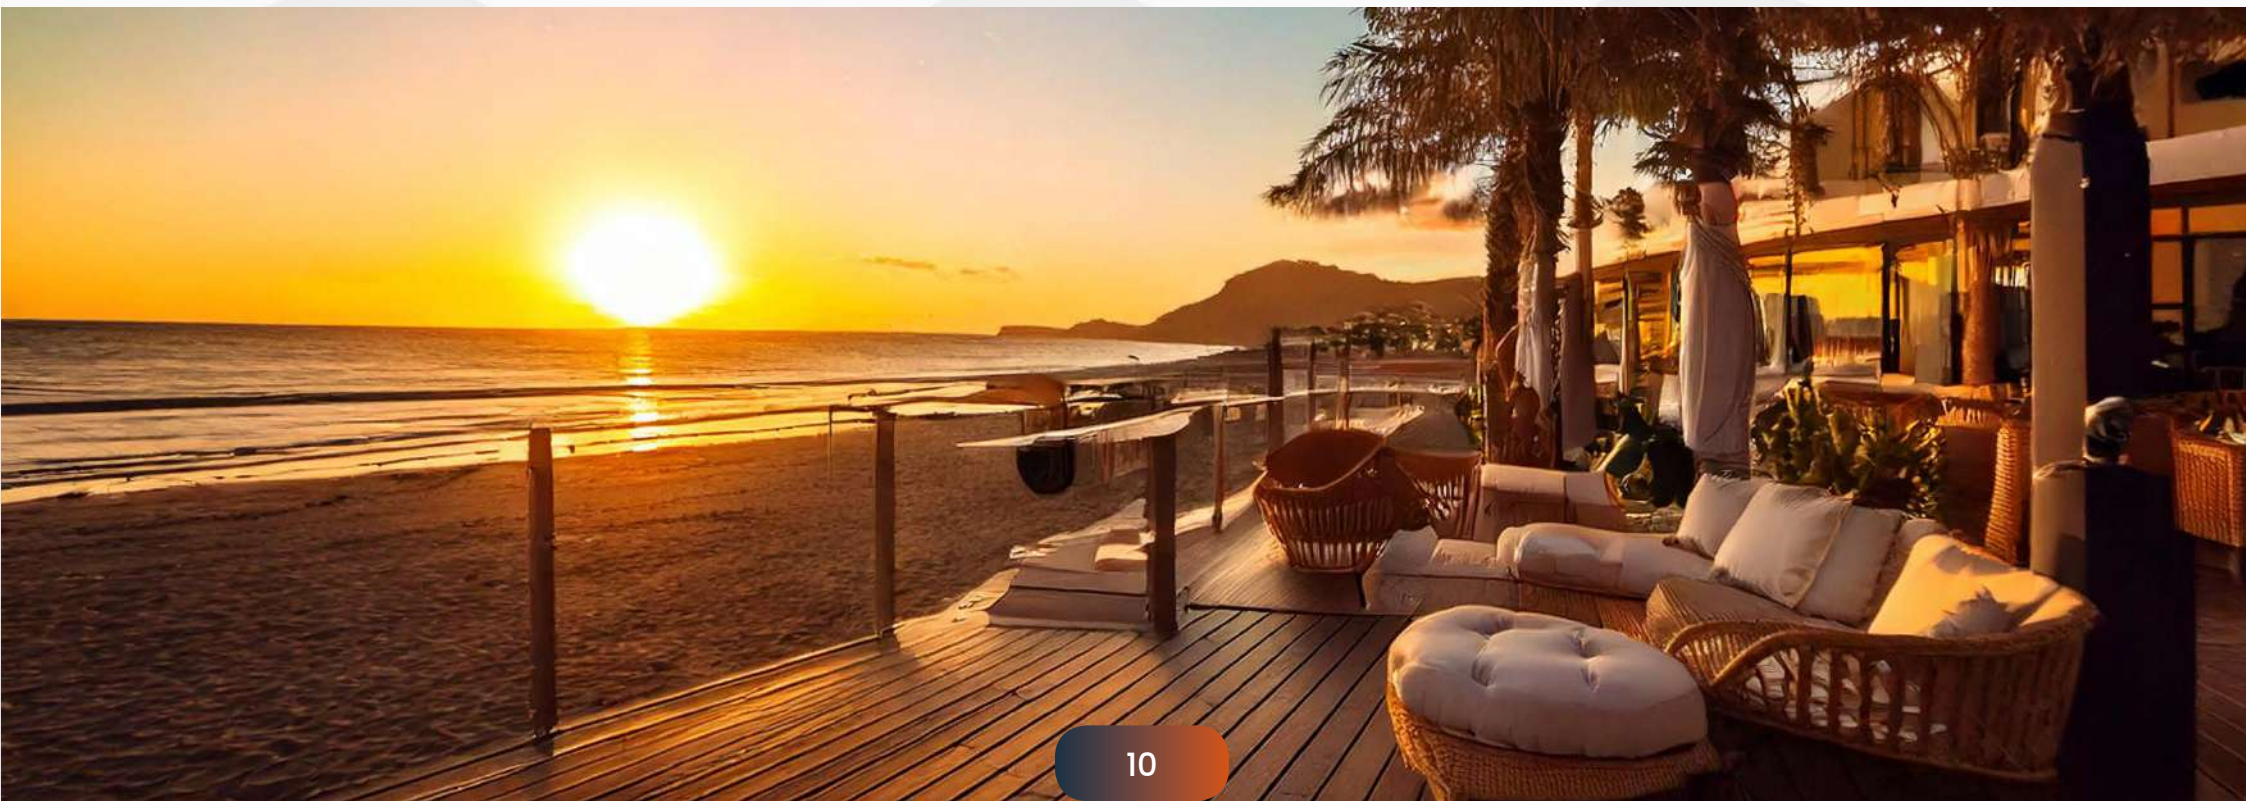

SPECIALIZED SERVICES FOR HOSPITALITY

Enjoy Yourself Under the First Guard Security Services (PVT) LTD Security Coverage

First Guard Security Services (PVT) LTD specializes in providing tailored security services and solutions to safeguard our clients' assets. We work closely with our customers to identify their security needs and either upgrade existing systems or install stand-alone, turnkey security solutions. Our services are specifically designed to meet the unique requirements of the hospitality industry, including hotels, resorts, restaurants, pubs, and nightclubs.

With our well-trained staff, we ensure the safety and security of guests, staff, and visitors, allowing businesses in the hospitality sector to operate smoothly and confidently. Our security officers are equipped to handle any situation, ensuring that your property is fully protected at all times.

UNIFORMS & PROFESSIONALISM

At **First Guard Security Services (PVT) LTD**, our security personnel wear carefully designed uniforms that project authority and professionalism, serving as a visual deterrent to criminal activity. These uniforms are fully compliant with Ministry of Defence guidelines, ensuring that our team upholds the highest standards of professionalism while representing your business. The presence of our well-presented security officers reinforces trust and safety, reflecting the quality of service we provide.

INSURANCE & WELFARE

First Guard Security Services (PVT) LTD offers comprehensive insurance packages with coverage ranging from Rs. 500,000 to Rs. 2,000,000, ensuring peace of mind for both clients and staff. We also offer personal accident insurance for all security officers. Our staff welfare program ensures that our employees are well taken care of, helping them to perform their duties with confidence and dedication.

COMMITMENT TO EXCELLENCE

At First Guard Security Services, excellence permeates every facet of our operations. We are committed to upholding the highest standards of service, adhering to industry best practices, and continually enhancing our processes. Our security professionals undergo regular training and development to remain at the forefront of security techniques and technologies, ensuring that our clients receive uncompromising protection.

Saman Jayasekara
Superintendent of Police (SP)
Operations manager

SP Saman Jayasekara is a highly respected law enforcement professional, known for his exemplary service and leadership within the Sri Lanka Police. With years of experience in overseeing critical operations, SP Jayasekara has consistently demonstrated a strong commitment to public safety, crime prevention, and upholding the rule of law. His career is distinguished by his ability to handle complex investigations with precision, while ensuring that justice is served.

Throughout his tenure, SP Jayasekara has played a pivotal role in maintaining peace and security in various regions, working diligently to combat crime and safeguard the community. His leadership skills and in-depth understanding of law enforcement make him a trusted and capable officer who is relied upon in high-pressure situations.

Beyond his official duties, SP Jayasekara is deeply involved in community outreach and development programs. He is often seen participating in public events and initiatives aimed at fostering closer relationships between the police and the local community. His approachable nature and commitment to building trust with the public have made him a well-respected figure, not only within the police force but also among the citizens he serves.

SP Jayasekara's dedication to maintaining public order, his strong ethical principles, and his proactive approach to security have earned him a solid reputation as a leader who can be counted on to ensure safety and justice. His involvement in community-centered activities further highlights his belief in the importance of a cooperative relationship between law enforcement and the people, making him a vital asset in the field of security and public service.

OUR CLIENTELE

Our esteemed clientele encompasses a diverse range of prominent entities, including government authorities, reputable factories, financial institutions, renowned contractors, and residential apartment complexes. We pride ourselves on catering to the needs of these organizations, providing them with professional security services tailored to their specific requirements.
